

OPTIONAL: Fill a container with stones to keep with your list as a physical reminder of God's continual involvement in your life.

- Read the verses and lyrics in the margins for further background and inspiration.
- Make a list of ways God has helped you through meaningful lessons, times of provision or protection, outstanding displays of His love, etc.

Following the example of Samuel, Joshua and Jacob, build your own stony memorial to the significant things that God has done for you so far.

Count your blessings! Name them one by one!
