90	Jude 1	
91	Revelation 11	
92	Revelation 22	

I rejoice at Thy Word as one that findeth great spoil. Psalm 119:162

READ THE BIBLE IN 3 MONTHS

It's not as crazy as it sounds.

There are 1,189 chapters in the Bible. If you read around 13 chapters a day you could finish the whole book in 3 months. This may seem like a lot, but for the average reader, 13 chapters of the Bible can be read in under an hour.

Why should I try it?

It's a powerful thing to consume large amounts of Scripture at once. Reading the Bible from cover to cover in a short amount of time can help you to see the whole story, appreciate God's consistent character & notice recurring themes.

By the end of his life, George Muller had read the Bible more than 100 times. He says in a journal entry:

"I may share the truth with the unconverted; I may try to encourage believers;
I may relieve the distressed; I may, seek to behave as a child of God;
Yet... the most important thing I had to do was to read the Word of God.
Thus my heart might be comforted, encouraged, warned, reprov'd, and instructed."

The 3-month plan included gives you approximately 13 chapters to read each day. Some days you will read a little more and some a little less. You could also choose a chronological plan to really get the whole story from beginning to end. Just make sure you're reading around 13 chapters a day.

TIPS:

Don't stop to study or reflect. There is a time for slow, meditative reading, but the purpose of this endeavor is to take in the entire Scripture in a short amount of time. Even if you don't completely understand everything, just keep reading.

Keep an empty notebook nearby. Have a place where you could quickly write down a reference you like or a question you have. You can revisit these later.

Have a plan. Maybe you'll choose to read for a whole hour at the same time every day. Maybe you will read half in the morning and half at night. Maybe instead of flipping on the TV or browsing Facebook, you'll make it your habit to open your Bible whenever you have downtime.

Choose a version that is easy to read. Maximize your comprehension and ease the difficulty of this task by reading from a version that is written in plain English. We would recommend ESV or NKJV.

Consider an Audio Bible. You may want to try listening to your chapters. Turn on an audio Bible while you're cooking or driving. Or free yourself up to take notes while you listen.

Don't be intimidated. The task may seem daunting but it's achievable and it's worth it!
